Description

Broker comments

This powerboat yacht Pardo 43 Gabriela stands out for her elegant and aggressive design at the same time, in the line of Vanquish, Fjord, VanDutch. Among her best features stand stability and smoothness in all conditions of the sea, easy to manoeuvre and a faster glide. In addition, the design is one of the main advantages in the roof, guaranteeing a wide, functional space and facilitating safe access to the bow through her deep corridors thanks to her high freeboard.

Inside this Pardo 43, you will find a unique habitat with 2 bedrooms plus 1 bathroom (1 master + 1 twin). Everything with a clean, modern, minimalist, functional and cosy design. The brand Pardo Yachts was born in Cantiere del Pardo, in 2016 in Italy, with more than 40 years of experience and more than 4000 yachts built.

The Pardo 43 has been designed for a sophisticated owner who appreciates high quality, design, comfort and luxury. Technology, design, quality, and customization based on experience are the mantras of this shipyard.
